April 11, 2016

Dear Parents of Students Enrolled in AP Courses:

I am sure that you are proud that your child is presently enrolled in one or more Advanced Placement (AP) course(s) offered at Greenport High School. The examinations for these courses will be administered in May; please review the calendar on the reverse side of this letter. Please note that the exams will be administered at an off-site location. Students are scheduled to report to the multi-purpose room of St. Agnes School at 523 Front Street and plan to arrive at the testing site 15 minutes prior to the exam. Students scheduled for morning exams can report directly to the testing site.

The district requires all students registered for Advanced Placement courses to sit for the respective exams. Therefore, the Greenport School District funds all testing and registration fees.

We are pleased that your child has chosen an academically challenging program and wish him/her success.

Sincerely,

Gary Kalish  
Principal
